DOWNTOWN DOORS 2022

SEPT. 29, 2022 | 6 PM

19th annual Artist & Sponsor Recognition Reception

A MESSAGE FROM THE BOARD OF TRUSTEES

Downtown Doors has added vitality to our urban core's street life for 19 years. Ten more pieces of art added to the downtown landscape join more than 300 others -- 329 in all -- that have provoked thought, inspiration, delight and hope to visitors, residents, office workers, businesses and the property owners and managers who have provided the canvasses for this extraordinary program.

The city's most talented students create fanciful creatures, colorful collages, stunning self-portraits, vivid cityscapes and a litany of works that tell stories. The passersby and site hosts are only a small part of virtually an entire community responsible for making this program a success.

The Downtown Foundation has enjoyed a steady stream of funding for Downtown Doors that includes the City of San Jose and its City Council members, local and national foundations, and individuals. Adobe has provided the selected artists with creative software licenses since almost the beginning. Thanks to all for your generosity.

In our first year, only one school - Lincoln High - participated. Since then, students from 22 other schools have submitted their art. This would not be possible without the support from dedicated teachers who spend countless hours preparing the submissions, providing artists with support and resources to excel and encouraging students to share their art with the world.

To the 2022 Class of Downtown Doors, thanks for sharing your art, passion and creative energy with our downtown community. Congratulations and all our best.

SPONSORS

Adobe • Republic Services • Deloitte Services LP • Ernest and Irena Pestana • Robson Homes, LLC • SV Creates in partnership with the County of Santa Clara • Silicon Valley Community Foundation - Donor Circle for the Arts • San Jose City Council offices of Raul Peralez (D3), David Cohen (D4), Dev Davis (D6) and Maya Esparza (D7) • Supported by a Cultural Affairs grant from the City of San Jose.
