

October 5, 2021

To the Neighbors of 333. W. San Fernando St.,

We will be closing W. San Fernando St. in-between Delmas Ave. and Almaden Blvd. to allow for Adobe's Penthouse Equipment placement. The work activity will be adjacent to the jobsite with delivery truck traffic and a mobile crane staged on W. San Fernando.

Our schedule is as follows:

- We will close W. San Fernando St. in both East and West directions in-between Delmas Ave. and Almaden Blvd. starting Monday, November 15, 2021 at 7 AM.
- We will re-open W. San Fernando in-between Delmas Ave. and Almaden Blvd. by Sunday, December 5, 2021 at 7 PM.
- Road closed, no right/left turn signs, sidewalk closure signs and detour signs will be installed around each intersection providing clear direction for pedestrians, cyclist, and vehicles.
- Lighted message boards will be installed at least 5 days ahead of time for early warning notification of the closure.
- Street closure will be 24 hours a day from Monday, November 15, 2021 to Sunday, December 5, 2021 unless otherwise noted above.
