**How long have you been cooking?**

I have been cooking for about 8 years

**Where did you study?**

I took the culinary course at the local C.E.T.

**What is your signature dish?**

I have yet to choose a signature dish, I love exploring cuisines and techniques. I always try to go back and cook dishes from my past, but I have not chosen one to build upon and transform continuously.

**What are 3-5 kitchen ingredients or tools you cannot live without?**

Definitely a good chef knife, EVOO, Salt, and fresh pepper.

**What is your favorite cooking tip?**

Be sure to use all of your senses when cooking.

**What is your favorite dish to cook at home?**

Although I can't do it often, I really enjoy cooking breakfast for the family. It always turns into a feast!

**If you could cook a meal for anyone, whom would you love to cook for?**

I would have to say my grandparents. I was young when they passed away and I wish I could have spent more time with them.

**Do you have a cooking tradition or a family dish?**

During the summer time we all get together a couple times a month and cook out. Everyone gets involved, and it's always a lot of fun.
